We are made one by one, each LON&BOC being a unique piece.

#### PRODUCT CARE:

Created using waterproof canvas. For routine washing, we recommend wiping both the exterior and the interior with soap water, while refraining from using abrasive products or coarse wipes to prevent loss of color. It can be submerged in both cold and warm water, and can be left to dry in ambient temperature or using a dry-wipe. Do not put in contact with exceedingly hot surfaces.

- Wash by hand.
- Do not wipe with coarse or abrasive materials.
- Dry under natural circumstances, or with a dry-wipe.
- Does not discolor while washing, unless treated with inappropriate materials.
- Do not iron.

Handmade in Asturias, Spain.

90% of materials are reused and recycled.  
We are committed to a sustainable future.
